Big sweets falling down like rain

sample

Karen is reading a story.

Billy likes eating unhealthy food. He eats a lot of junk food, like potato chips and chocolates. Last Friday night, he ate a packet of sweets and drank a bottle of soft drink. He did not have a shower. He forgot to brush his teeth too. That night, he had a dream. A lot of big sweets were falling down like rain. They were bigger than rocks. Billy screamed, 'Help! It really hurts!' 5

Suddenly Billy saw two men in white shirts and black hats. They were far away and shouted to Billy, 'Come over, Billy! Quick!' So Billy ran towards them and **escaped** from the rain. He was safe. He looked up and wanted to thank them. 10

The men were his teeth! They said, 'Billy, you need to eat fewer sweets. Too much sugary food is bad for you. Please eat more fruit and vegetables. They are good for you. Here, take this. You will know what to do. Please keep us clean.' 15

Billy woke up from his dream. There was something in his right hand. It was a toothbrush! 15
