Strategy

Paying attention to signpost words

Sometimes, the speakers use signpost words to guide the listeners through their speech. Here are some common signpost words.

| Signpost Word | Purpose |
|--|---|
| As a result / Therefore / So | To show effects and results |
| Because / As / Due to / Since | To give reasons |
| For example / Such as / Like | To give examples |
| Instead of / Rather than | To show something being replaced by another |
| Let's / Shall we / What about / Why don't we | To suggest an idea |
