Happy birthday party

Megan is writing a diary entry.

10 June, 20XX

Sunny

It is half past ten at night. I am tired but I do not want to go to bed. I do not want today to end. Today is my birthday!

I had a party this afternoon. All of my classmates came. There were so many people at my home!

We played 'Musical Chairs'. Everyone laughed when Albert lost the game. He forgot to run for a chair because he was singing along with the music. The second game was 'What's in the Box?'. Gigi had to put her hands in the box, touch the thing and guess what it was. We knew it was jelly but Gigi did not. She screamed when she touched it. It was so funny.

After the games, we had the cake. The cake looked like my cat, Snowy. It was beautiful. It tasted good too! Everyone loved it!
